- Fee must accompany the fully completed application form (VAT Number must also be included) and be returned before the closing date of 22nd June, 2019. The Committee will only reserve space for stands on receipt of completed application form, and relevant Certificates and fee.

- Please allow enough area for your Trade Stand, not forgetting the hitch on your trailer. Due to the number of stands extra space will not be available on show day. Trade Stands must remain in their allocated space and stand owners, or their agents are not permitted to move stands without the consent of the Show Committee. If, however, it is found that a Trade Stand is encroaching on a neighbouring Trade Stand's site, they will then be moved to an area reserved for this purpose.
- If a Trade Stand does not correspond with the description given, the Committee reserve the right to remove that Trade Stand from the show field.
- All trade stands should be in place by 9pm on the evening before the show as no vehicle access will be allowed in the Trade Stand area of the showgrounds after 10pm on Saturday. No Trade Stand may leave the Showgrounds before 6pm on Sunday. (Vehicles will not have access to the grounds before this time)
- If you are selling food at the show, you will be required to be Health Service Executive registered.
- No mass distribution of flyers.

- Insurance Indemnity must be on insurance company headed paper or have insurance company stamp impressed thereon;

indemnity to Charleville Agricultural Show Society Limited, to the Irish Shows Association CLG and to the site owners. The indemnity provided is in respect of the use of their property by (name of Trader/Business) for the purpose of setting up, operating and removing a Trade Stand at the 2019 Charleville Agricultural Show. The show days are Saturday 29th and Sunday 30th June, 2019. Cover is subject to Charleville Agricultural Show Society policy terms, conditions and exceptions.

All sub-contractors, electrical and gas for example, must also submit their Insurance, and "Pat" test or engineers report.

- Stand owners/agents must clean up their areas before leaving the showgrounds.
- Bins will be provided on the day.
- Trade Stand sites will be inspected at the end of each day and photographs taken of offending sites with a view to restricting access to the show for the following year.

### **CONDITIONS GOVERNING CUP COMPETITION**

2. The Committee reserves the right to alter conditions of Competition for the Cups in future Shows, or to withhold the Cups if the Judges do not find sufficient merit in the Competition.
3. Cups must be returned to Donor if Competition therefore lapses.

### **IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS AT SHOWS**

The Irish Shows Association would advise all animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. We understand that it costs very little or nothing at all depending on who you have insurance cover with.

The reason for us giving you this advice is that if your animal were to lash out and injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused and end up paying all or part of any settlement reached.

### **DISCIPLINE**

The Irish Shows Association expects and will insist upon appropriate behaviour from all Exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour. Inappropriate behaviour shall include but not be limited to the following:

- Profanity, coarse or vulgar language or gestures towards judges or other Show officials.
- Harassment or bullying, including using words or actions that threaten, intimidate or undermine judges or other officials before, during or following Member Show activities.
- Failure to follow rules and/or obey instructions.
- Abusing any animal.

### **CHARLEVILLE SHOW SAFETY PRECAUTIONS**

- Obey instructions of Stewards and Safety Officers in the Showgrounds.
- Members of the public are requested to take reasonable precautions to avoid accidents.
- Speed limits within the grounds must be obeyed.
- All safety signs within the grounds must be obeyed.
- All cattle must be unloaded in unloading bay.
- All animals being exhibited must be under proper control at all times.
- Members of the public must not enter show jumping arenas, judging rings or unloading bays for animals.

- Trade Exhibitors must have Safety Statements.
- All accidents must be reported immediately to the Safety Officer.

***Your co-operation will make the Show a safer and more enjoyable event for all patrons.***

## **Class 106: RDS BREEDERS CHAMPIONSHIP 2019 QUALIFIER**

### **RDS BREEDERS CHAMPIONSHIP 2019 QUALIFIER**

**Judges: Mr. Pat Hutchinson, Gowran, Co. Kilkenny**

**Ms. Clare Oakes, Kilcarn, Navan, Co. Meath.**

**Aim:** To give recognition to breeders who breed from suitable mares to produce top quality foals with performance potential. To encourage the production of quality young stock which might, in time and with suitable nurture, achieve success in various equestrian disciplines. This class aims to serve as an important benchmark for breeders (and the industry at large) to determine the progress being made in the national herd. The Breeders' Championship is a seminal class for RDS and for the industry in showcasing the quality of equine talent being produced nationally for future domestic and export markets.

**Eligibility:** Open to mares likely to produce performance horses, with an athletic foal at foot. Mares should be registered with an approved studbook or with Weatherby's General Studbook or Weatherby's Non-Thoroughbred Register and have recorded breeding. Foal must be by a registered stallion.

Mares must be free from all obvious clinical or hereditary unsoundness. In case of doubt, veterinary advice will be sought.

**Entry Fee to Qualifier:** €25

To Final: RDS Members; €336 each entry; Non-Members: €377 each entry.

**Prizes:** 1st €5,000; 2nd €3,000; 3rd €2,000; 4th €1,500; 5th €1,000, 6th €750, 7th €600; 8th €500. The additional 10 competitors will receive €400 for competing at the final.

A special prize of €200 will be awarded for the best 'show'. The winning exhibitors will be identified by the judges based on the presentation of their mare and foal on the triangle.

The **Lyn Aldridge Perpetual Challenge Trophy** presented to the winner of the Breeders' Championship. Champion and Reserve Champion are required to participate in the Parade of Champions on Sunday 11th August 2019.

**Final:** RDS Dublin Horse Show, 7th - 11th August 2019

**Qualification:** Six qualifying venues have been selected from which the **first, second and third** placed mare and foal combinations from each may enter the Final at the Dublin Horse Show.

Starts at **2:30 PM** with an entry fee of €25.00

### **Rules and Regulations**

1. Passports of all competing mares must be brought to the qualifying show for scrutiny by the judges / stewards. If valid passports are not available for inspection at the time of judging, the mare and foal will not be eligible to compete.
2. All mares and foal combinations at both qualifying show and final will be shown in-hand using the triangle format (25m x 40m x 25m). The triangle format allows the judges (who will be positioned at A) to assess natural paces from behind, side and in front - allowing them to easily assess freedom of shoulder, use of back, engagement of the hock, tracking up and straightness in both paces.
3. Mares and foals competing at the qualifiers and final should be familiar with the triangle format. Guidelines on showing on the triangle are available on the RDS website. Mares and foals will have one opportunity to show themselves on the triangle, it is in the interest of the exhibitor to ensure that they are both shown

correctly. Exhibitors should ensure that foals in particular are handled and prepared well in advance to perform walk and trot in a balanced and calm manner around the triangle. Exhibits in this class will be viewed on 'the triangle' in the order in which they appear in the official DHS Catalogue.

4. Judging will be based on adjudicating the mare as a progenitor of athletic type foals with obvious performance potential.
5. The top three mare and foal combinations at this qualifier will be eligible to enter and compete at the Dublin Horse Show.
6. Entry Fee €25.00

Horse-riding is a dangerous sport and all competitors in Ridden Classes are strongly advised, for their own safety, to wear appropriate head gear which complies with up-to-date safety standards.

# CATTLE

## CATTLE SECTION

### Department of Agriculture, Food and the Marine SPECIFIC REQUIREMENTS - CATTLE

- Keepers wishing to show cattle in 2019 must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This ensures that the animal(s) in question has the necessary TB, BR and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department.
- Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the [www.agfood.ie](http://www.agfood.ie) facility or from the Cattle Movement Notification Agency.
- When applying for a Certificate of Compliance, keepers should not specify a destination herd.
- On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal.
- The keeper and the Show Secretary will then sign the Movement Notification section of the Certificate, which will then be sent to the local DVO for recording onto the AIM system.
- Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to be shown on the day of the Show.

### Irish Shows Association Notice

**After a number of submissions from affiliated Shows on the judging of calves and the need to have them judged by weight rather than by age at Shows:**

The Irish Shows Association Cattle Sub-Committee has put forward the following recommendation on use of live weight for calf classes, e.g. **(Calves under 12 months not to exceed 460kg), (Autumn born calves and calves under 6 months - it recommends that the weight should not exceed 320kg.)**

Another suggestion is to use no more than 1.7kg live weight gain per day from the birth date to the show date. This proposal would be suitable for interbreed pedigree calf Championships.

TO CELEBRATE THE 40TH ANNIVERSARY OF CHARLEVILLE AGRICULTURAL SHOW SOCIETY MEMENTOS WILL BE PRESENTED DURING THE DAY.

Note for Information regarding Movement of Bovine to Shows

The Department of Agriculture implemented a number of changes on 4th February 2019 which changed the procedures and criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the certificate which is required when moving bovine to a Show.

The following sets out the criteria applicable:

- The movement of cattle to and from an Agriculture Show within the State must be recorded on the Animal Identification and Movement System (AIM).
- In line with these changes a specific certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement of animals concerned.
- These certificates can be created by (i) applying online using their agfood account or (ii) where the keeper is not on line the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Departments Website and will also be included with the Show Circular when issued.
- When applying for this certificate the destination herd / or Show number is not required. The certificate generated will include an "S" symbol.
- The Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days. As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the certificate.
- Please also note—Calves which are less than 10 days cannot be moved to a Show.

As is currently the case the Movement Notification Section of the Certificate should be Completed by the Keeper and the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the certificate also.

Completed forms should be sent by the Show Secretary to the local RVO within 7 days of the Show.

### **RECOMMENDATION FOR CATTLE CLASSES**

After a number of submissions from affiliated shows on the judging of calves and the need to have them judged by weight rather than by age at Shows. The Irish Show Association Cattle Sub Committee have put forward the following recommendation on use of live weight for calf classes eg Calves under 12 months not to exceed 460kg; Autumn born calves and calves under 6 months should not exceed 320kg.

Another suggestion is to use no more than 1.7kg live weight gain per day from the birth date to the show date. This proposal would also be suitable for interbreed pedigree calf championships.

# SHEEP

## DEPARTMENT OF AGRICULTURE

### Specific Requirements - Sheep

#### **IDENTIFICATION**

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

#### **Movement Documentation**

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the county where the flock is located.

#### **AIM Notification**

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows:

1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.
2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.
3. The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement.
4. The show secretary keeps a white copy for his/her records.
5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register. Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

#### **Flock Register**

All movements of sheep to and from shows must be recorded in the keeper's flock register.

#### **Exports to Northern Ireland**

All sheep must be accompanied by a TRACES intra-community trade certificate for ovine animals. A TRACES message, corresponding with the TRACES certificate, will be sent for each animal or consignment being dispatched to the show (this will be performed by Department officials of the DVO). Exhibitors are advised to contact the show society in Northern Ireland well in advance of any show to determine the suitability of the show for return of animals (e.g. premises and sheep status), and whether the authorities will have officials and veterinary staff present to supervise and process documentation for animals returning to origin.

Attendance of sheep from scrapie monitored flocks at shows and sales in 2018

#### **Shows between 1st May and 30th September**

Sheep from scrapie monitored flocks will be permitted to attend agricultural shows taking place between May 1st and September 30th without restriction or separation from other categories of sheep.

In locations where all of the above may not be possible, the minimum requirement would be the separate loading and unloading and also of penning areas.

The two areas should be separated by a sheep-free alleyway, at least 12 feet wide.

If only one show ring is available, the sheep from the scrapie-monitored flocks must be shown first.
